Halyk LevelUp tech sprints

ECOSYSTEM MEETUP

CERTIFICATE

Achievement unlocked!

This certificate confirms that

Rakhy Rakhym

participated in the "Ecosystem Meetup" and learned about practical approaches to creating and developing digital ecosystem products, including the following topics:

- data-driven product decision making;
- user behavior analysis and its impact on digital service development;
- product creation and development within the digital ecosystem;
- product solutions based on real-world fintech cases.
